

Abronhill Housing Association was formed in 1992 and owns and manages 222 properties in the Abronhill area of Cumbernauld. In July we will receive a further 36 new homes at the new development in Aspen Place.

Abronhill Housing Association's vision is:

We will be the landlord of choice in our neighbourhood, working with our customers, communities and local stakeholders to create an area where people choose and are happy to live. Great service and value for money will be at our core and we will strive relentlessly to balance both.

The Association has charitable status.

- ✓ We are committed to continuous improvement and sustainment of high quality housing and related services.
- ✓ Our Management Committee is looking to recruit new members to assist in the delivery of the Association's recently revised strategic objectives.

The Association would welcome interest from individuals with a commitment to our objectives, who live and have an interest in the Abronhill area, but in particular would welcome applications from people from a financial, legal or community development background.

For more information, a chat or to obtain an application form, please contact Stephen Macintyre or Jackie Daisley on 01236 457948 or alternatively email smacintyre@abronhillha.org.uk or jdaisley@abronhillha.org.uk
